

Thomas Storch

Senior Manager

Insight Sourcing Group

Tommy's sourcing and procurement experience extends across industries including telecommunications, retail, and manufacturing. He has developed expertise in achieving savings in the transportation category, specifically LTL, small parcel, and truckload. Recently, Tommy delivered \$27M in savings on a small parcel category project for a Fortune 10 company. His recent client work includes AT&T, Bed Bath & Beyond, and lululemon. Prior to ISG, Tommy worked for Manhattan Associates in data analytics and business intelligence for several Fortune 500 clients.
